EXPLORE YOUR TOUR

A new and unique Parisian culture experience where your guide will take you to the heart of the Marais, to discover the myriad art works that line the streets of this eclectic Parisian area, combining both tradition and modernism. A veritable plunge into the Parisian underground street art world, allowing you to learn about the most famous street artists of the city, their approach, philosophy and techniques. You will discover the works of YOSH, SPACE INVADERS, CLET, SOBR, GZUP, COST for example... and many other original and innovative artists. An unusual and original tour, fully immersing you in present day Paris. Become an artist yourself: Mon Beau Paris will provide Polaroid cameras to help you take souvenir snapshots of the works you enjoyed the most!

Your guide will advise you how to get the most out of your camera and will show you the best locations so that your shots are the most successful. Private groups are ideal and manageable for everyone from youngsters to seniors. A delightful, colorful tour, suitable for everyone's eyes.
