### **Presentation of your private tour ( 9 hours)**

#### ***Exclusive private tour with a maximum of 6 people sharing***

From your hotel in Paris, you will be picked up by your chauffeur and your certified tour guide. You will discover the legendary *Château de Versailles* (Palace of Versailles), filled with 300 years of History, home of Louis XIV as well as Marie-Antoinette.

Skip the queue and enter the palace, dive into this dazzling world, exuding French abundance. Your day will start with the tour of the most famous part of the palace: *les Grands Appartements*, open to public. While wandering in the maze of corridors and rooms, hear about the life and quirkiness of the Kings and Queens who lived there. Get to know all about the courtiers, the lifestyle and customs, the parties, and many other characteristics of royal life. Be whisked away by the world of Versailles.

Enter then *les Petits Appartements* (the Private Apartments), this splendid part of the palace designed by King Louis XIV, closed to the public. You will be alone with your guide in these majestic and historical rooms for an exclusive tour: the King's office, his private room, his bedroom and on some days: the Chapel or the Royal Opera... An exclusive tour, far from the crowds of tourists.

After a well-deserved lunch (not included in the tour) carry on your journey in the vast gardens, from where you will be able to admire the genius of the royal gardener *Le Nôtre!* In this majestic park, you will get lost in the groves, have a glimpse of the legendary fountains and statues of Versailles, and learn more about the Ancient Greek myths which inspired the Court sculptors and fascinated the King.

Following the tour of the royal apartments and the gardens, your guide will take you to the backstage of the *Grandes Ecuries* (the Royal Stables), now house of *l'Académie Equestre de Versailles* (Versailles' Equestrian School), and master of equestrian shows. You will have the chance to admire an outstanding collection of royal carriages, splendid horses in their boxes, the horsemen in the middle of their horse training, and the auditorium. An unforgettable experience, totally exclusive, designed especially for you!
