DAY TRIP, PRIVATE TOUR (8 hours)

Discover the itinerary

The client will discover **Saint-Tropez**, the place to be in the South of France during Summer. It is also the World-famous place for the jet-set people and celebrities. Saint-Tropez is located in front of a beautiful bay, constructed around a port with luxurious yachts. The client will have free time for lunch, walking around or shopping (at the client's expense). We can also recommend to the client to take a shuttle boat from the port of Sainte-Maxime (in front of Saint-Tropez, at the client's expense, 8 € per person). This is a great way to arrive to Saint-Tropez too. (If this option is chosen, the driver-guide will drive and wait for the clients in Saint-Tropez). If time allows and the client wishes, we will make a visit to **Port Grimaud**, also known as the "little Venice of the Mediterranean Sea". In Port Grimaud, one can walk or rent a small electric boat (no permit needed) to navigate around this town made of water channels. The latter is a great attraction for families with children (open from April to October, 5 persons per boat).

Full day (8 hours).

Extra hour cost: 65 EUR until 20:00 and 85 EUR after 20:00.
