GIVING BACK TO NATURE WHAT IT BRINGS US EVERY DAY

At Les Sources de Caudalie, if there is one thing we are proud of, it is our terroir: the exceptional setting provided by the surrounding nature. We have been enjoying this fabulous environment for twenty years and we are committed to protecting it.

Our philosophy is to use the natural richness of the vine and the grape, the terroir and the region, to offer you a unique experience in total harmony with the environment.

BACK TO THE ROOTS FROM MAY 20

What a joy to be able to welcome you again in our Bordeaux family home, from May 20th! The Ascension and its four-day weekend is the perfect time to break away from our confined routine and enjoy a stay at Les Sources de Caudalie, followed by the Pentecost weekend. An escapade under the sign of nature and well-being.

Everyone will be able to take full advantage of the surrounding nature to recharge their batteries and get away from it all. On the programme: discovery of Land'Art, a fun trail in the heart of the estate's forest to awaken the senses to the rhythm of the trees. Bike ride through the vineyards of Château Smith Haut Lafitte. Family exploration of the vegetable garden and the small farm of the estate, where chickens, goats and horses have a great time. Afternoon at the Vinothérapie® Spa, where treatments based on vine extracts and grape seeds will be the comfort of all. After all, we've earned it!

For a serene return to your roots, the private suites of the Fishermen's Village and their independent terraces will be conducive to the rules of social distancing and will delight fans of breakfast with a view.

On the kitchen side, our team has planned everything. Treat your taste buds with regional products from the ROUGE gourmet grocery store. At lunch, order your picnic basket, pick it up in our shop and set off to discover our vineyards and gardens. At dinner, the regulars of Nicolas Masse's kitchen will be happy to revel in a delicious menu, made from vegetables from the garden and local produce, served on the rooms' private terraces or balconies. Enough to admire a magnificent sunset over the vines!

The perfect combination to gradually regain the joy and happiness of escape.

Finally, rest assured that we will never minimize the importance of the current situation and the precautions that need to be taken. No risk will be taken, neither for our teams nor for our customers. We want our Vine Palace to continue to welcome you in the best conditions.

We look forward to seeing you soon in the heart of our vineyards!
